**HOW CAN I GET MONEY FOR MY
FUNERAL?**

There are different options. It depends on your situation.

- Funeral Bonds are better for younger people who have time to save.
- Superannuation Funds may help through death insurance or early release on compassionate grounds.
- Local Funeral Homes sometimes have trusts for families to pay into.
- Savings Accounts can be opened just for your funeral.
- Funeral Insurance Policies cover natural causes and accidental death. Check you can afford it.
